Boxy

PLACE ON A PLATE

Let's be honest, boxty is a bit of a legend really. It even has its own Wikipedia page. An integral part of our heritage and culture, boxty must be as old as Leitrim itself!

Boxty is described by others as a potato pancake but surely this description does not do it justice .

Boxty is made in different ways, either boiled, baked or as a pancake with the main ingredients potatoes, flour, salt and buttermilk. Not a food you will find just anywhere! It takes a lot of patience and tricky work to make the perfect Boxy. Leitrim's Boxy producers take pride in being the true heroes at making some of the best Boxy in the country. Upholding with gusto the secret family recipes passed down from generation to generation with each having their own twist at making the most amazing Boxy. It tastes fantastic with loads of different savoury dishes; try for breakfast boiled Boxy fried in butter with crispy bacon and a runny egg or pancake Boxy for lunch with smoked salmon, crispy lettuce and a creamy relish. There are plenty of venues in Leitrim where you can enjoy this most authentic delicious Irish food.

Perfect

PICNIC SPOTS

*Leitrim may be a small county but, in our opinion, it has some of the **most scenic locations in the country**. Here are some of our suggestions for a perfect picnic:*

- Explore the Shannon Blueway by bike, on foot or even by canoe. **Acres Lake Drumshanbo** includes an iconic floating boardwalk around the lake so you can walk on water and build up an appetite for al fresco refreshments .
- **Glencar**, with its series of waterfalls, is immortalised in Yeats' poem The Stolen Child. There's a children's playground at Glencar Teashed and various walks.
- **Fowley's Falls** is one of the best kept secrets in Leitrim. Just a short walk from The Organic Centre, Rossinver you will find this magical, cascading waterfall. It's a beautiful forest walk too.
- Want a picnic by a castle? **Parke's Castle, Dromahair** was built in the early 17th century and is situated on the shores of Lough Gill. It's worth remembering there's free admission to the castle on the first Wednesday of each month. Also nearby is **Troll Wood**, a great picnic spot for children. Carry on to **Dromahair Village** and explore the walk along the River Bonet up to Creevylea Abbey.
- Watch the world go by at **Dromod Harbour**. The Railway Museum nearby is well worth a visit.
- **Carrick on Shannon** is the perfect place to relax watch the sunset over the **River Shannon**. Take a stroll on the **Boardwalk** and why not take a short cruise on the **Moon River Boat**?

If you don't have time to bring your own picnic call into one of our members for your perfect picnic.
