

If you don't have time to bring your own picnic call into one of our members for your perfect picnic.

- Explore the Shannon Blueway by bike, on foot or even by canoe. **Acres Lake Drumshanbo** includes an iconic floating boardwalk around the lake so you can walk on water and build up an appetite for al fresco refreshments.
- **Glencar**, with its series of waterfalls, is immortalised in Yeats' poem 'The Stolen Child'. There's a children's playground at Glencar Teashed and various walks.
- **Fowley's Falls** is one of the best kept secrets in Leitrim. Just a short walk from The Organic Centre, Rossinver you will find this magical, cascading waterfall. It's a beautiful forest walk too.
- Want a picnic by a castle? **Parke's Castle, Drumahaire** was built in the early 17th century and is situated on the shores of Lough Gill. It's worth remembering there's free admission to the castle on the first Wednesday of each month. Also nearby is **Troll Wood**, a great picnic spot for children. Carry on to **Dromahaire Village** and explore the walk along the River Bonet up to Creyilea Abbey.
- Watch the world go by at **Dromod Harbour**. The Railway Museum nearby is well worth a visit.
- **Carrick on Shannon** is the perfect place to relax and watch the sunset over the **River Shannon**. Take a stroll on the **Boardwalk** and why not take a short cruise on the **Moon River Boat**?

Leitrim may be a small county but, in our opinion, it has some of the most scenic locations in the country. Here are some of our suggestions for a perfect picnic:
